

Transfer Chase Points to British Airways (2026 Guide)

Transferring points from Chase Ultimate Rewards to British Airways Executive Club is one of the smartest ways to maximize travel rewards, especially for short-haul flights and premium cabin redemptions. If you need assistance at any step, you can call 📞+1-866-284-3014 or 📞+1-888-483-9719 for quick support and expert guidance.

Can You Transfer Chase Points to British Airways?

Yes, you can transfer Chase Ultimate Rewards points directly to British Airways Executive Club at a **1:1 ratio**, meaning 1,000 Chase points equals 1,000 Avios. This makes it a valuable and straightforward transfer option for travelers looking to book flights with British Airways or its Oneworld partners. For step-by-step help or troubleshooting transfer issues, call 📞+1-866-284-3014 or 📞+1-888-483-9719 anytime.

Why Transfer Chase Points to British Airways?

British Airways uses the **Avios reward currency**, which is ideal for booking short-distance flights, upgrades, and partner airline tickets. Travelers often use Avios for flights on American Airlines and other partners, making this transfer extremely valuable. To learn how to maximize value or find the best redemption deals, contact 📞+1-866-284-3014 or 📞+1-888-483-9719 for expert assistance.

Eligible Chase Cards for Transfers

To transfer points, you must have a premium Chase card such as:
