The Algonquin Area Public Library offers programs for all ages to meet the needs and interest of our community as set forth in our mission statement. Program attendance and participation may be limited based on age, especially programs intended for a specific age group that are geared towards their interests, abilities, and developmental needs.

The Library reserves the right to require registration with or without an Algonquin Area Public Library card for any program at its discretion. While most Library programs are offered free of charge, some programs require a fee for materials or books used by program participants.
