--	---

From the menu on the left, select "My Record" then "Contact Information and Preferences"

The screenshot shows the 'My Account' menu on the left with 'My Record' circled. The main content area shows the 'Messages' section with 'No messages' and 'Contact Information and Preferences' circled.

Scroll down to "Preferences" and check "Maintain reading history". From this point on, the catalog will maintain a list of the items you check out.
